Risks, although rare, include increase of pain, decrease in function, joint injury, rash, scratches/bruises, burns, fracture/dislocation, heart attack, pulmonary embolism, concussion and rarely death. If there is any part of this form that is unclear, you may ask questions about it. I hereby request and consent to medical treatment to be given to me by Advance Spine and Pain Physical Therapy, LLC.

Our fees are time based or service based fees. Charges may vary from one treatment session to the next based on medical necessity. It is important for you to know you are responsible for co-payments, co-insurances and/or deductibles. If you are on Medicare, be advised that Medicare only pays 80% of a covered claim. You are responsible for the 20%. Our office staff will be contacting your insurance carrier to verify eligibility. Depending on your coverage, we may be collecting money at the time services are rendered or you may receive a bill from us.

Policies Form

Please note it is YOUR responsibility to understand your insurance benefits and not our responsibility to explain it to you. It is our responsibility according to the State of New Jersey to collect all fees due to our office including copays, deductibles and coinsurances. Those with Medicare are responsible for 20% of their healthcare costs. Please make sure you are knowledgeable about your specific health coverage.

All copays will be required before initiation of your appointment.

If for any reason, you owe a copay, coinsurance, deductible or other fee to our office and are invoiced this amount, you will be given 3 weeks to respond to that invoice notification. If you need to be put on a payment plan, please contact our office and do not ignore the invoice. Unpaid invoices will go to collections. In this event, you be responsible for your initial invoice and associated collections fees.

Due to the high number of individuals waiting for appointments at our center, we ask all patients to call and cancel an appointment they cannot make at least 24 hours before the scheduled appointment. Failure to do so will result in a no-show fee of \$10. For multiple no-show, cancels or tardiness, we reserve the right to discontinue therapy.

Patients will receive an automated SMS, automated phone message and email reminders of appointments or other services. Please let us know at the front desk if you choose not to receive notifications.

Studies show patients who are involved in their physical therapy plan achieve better results. Not all patients are interested in making these decisions. We would like to know where you stand. Please circle the following that best describe your preference:

- I prefer to make the treatment decisions on my own.
- I prefer to share the treatment decisions with the therapist.
- I prefer to leave the decisions to the therapist.

I acknowledge the above set forth policies of Advance Spine and Pain Physical Therapy and agree to abide by these guidelines.
